INSTRUCTIONS

This report must be filed and fees must be paid **PRIOR** to placing slot machines into operation. If slot machines are to be added **AFTER** the beginning of a calendar quarter, you must file a supplemental FORM NGC-14. A penalty will be charged for late filing.

The total number of slot machines to be operated must be included on this report, regardless of ownership.

Report all slot machines, pinball machines, video machines, and similar devices by denomination.

Report slot machines and devices with denominations greater than one dollar (\$) under "Other."

If slot machines are added during a quarter, the amount due is the difference between the amount **previously paid** and the total amount due based on the total number of slot machines after such addition.

NOTE: The annual slot machine tax will also apply to additions, and a Form NGC-04 must be filed and taxes paid.

If you have any questions, please contact the State Gaming Control Board, Tax and License Division.
